## BAPTISM REQUEST FORM

Date(s) Requested for Baptism: \_\_\_\_\_

**Please note:**

- Most Baptisms occur on a Sunday during a regularly scheduled service.
- Sunday availability is based on a number of factors, including the pastor's availability; other baptisms previously scheduled; and/or other events that might not coincide well with Baptism. Most Sundays are likely available.
- Private baptisms are highly irregular and typically not accommodated, except in rare circumstances at the pastor's discretion. Baptism is a celebration of the congregation, as the baptized is being joined to the fellowship of the congregation.
